Neighborhood Watch

(article reprinted from Prestbury Newsletter)

Prestbury started its Neighborhood Watch program in 2004. Today membership exceeds 580 Prestbury households. We are grateful for the active participation of our members in building and contributing to our spirit of community here in Prestbury.

All residents of Prestbury are welcomed and encouraged to join the Neighborhood Watch program. Not only it is a great way to make sure that you know what is going on in our area in terms of safety and security, but it is a wonderful avenue to meet and learn who your neighbors are and to stay in touch.

Our program divides Prestbury's area into "blocks" with a block captain overseeing his/her area. Over 80 block captains contribute information to a group of 12 program coordinators. Two program directors work directly with the Prestbury Board of Directors as well as local community policing authorities including the Kane County Sheriff's Dept. and the Village of Sugar Grove Police Dept. We also coordinate our efforts with the Kane County Forest Preserve Police and are in contact with neighboring subdivisions including Windstone, Strafford Woods, Walnut Woods, and Hannaford Farms. The communication circle brings all of our communities closer together.

The Prestbury Neighborhood Watch program can be reached by calling Nicki Leroy, Prestbury's Office Board Assistant, or by e-mailing the program directors at nwatch@prestbury.org

Landscaping News

- As noted in the blast email you should have received on Feb. 10th, the Board has approved LCM to push snow over the sidewalks in the Circles so as not to incur additional cost to haul it away. They've also asked LCM to keep snow away from the drains so when thawing begins the drains will be clear
- Chuck Claessen will ask LCM to provide detailed calendar of work to be performed in 2014
- Please note that the Board will take care of fruit trees for the Townes

Worth Noting…

- **TOP Association dues are now $112 per month**, a $5 increase from previous years. Please make sure any automatic bank transfers or checks are authorized for this new amount!
- Our new PCA liaison is John Lentz. He's in charge of Security and the Pool for PCA. Per John —PCA has security that patrols Prestbury 10:00pm—2:00am 3 times per week and 1 time on the weekend. If you have an area that you'd like patrolled please call the PCA office to let them know
- Lisa Walters has volunteered for the Communications Committee , assisting with the website
- The Board held a workshop to identify projects to be completed in 2014. That list will be distributed to homeowners once completed
- The Board discussed holding meetings every other month rather than monthly. The plan is to have a March meeting, SKIP AN APRIL MEETING, then reconvene in May to asses the practice
- A big CONGRATULATIONS to Debra Carsten & Sean Curry of 222 Braeburn Circle. They were married on February 21st and are planning a May honeymoon to Hawaii!
